

Transform your overwhelmed people leaders into impactful everyday coaches who build collaborative coaching cultures that engage and retain the best people.

Our proven framework – The Coach-Like Leader Method® – gives people leaders clear steps they can master to effectively empower and motivate their teams daily.

Learning The Coach-Like Leader Method® underpins our 3 workshops, whether its a 1.5 hour virtual live webinar, a full-day in-person session, or anything in between, we can customize our workshops based on your needs.

### How to Hold People Capable

In this workshop, participants will:

Learn what ‘holding people capable’ means and why it gets better results than holding people accountable.

Hear stories about how holding people capable transformed two leaders’ relationships with their teams.

Discover how leaders can prevent giving feed-smack and give coach-like feedback that improves performance.

Understand the 3 Stages of The Coach-Like Leader Method®.

Length: 1.5 hours

### How to Ask Powerful Questions

In this workshop, participants will:

Discover why powerful questions are so important, but rarely used.

Learn the right way to create powerful questions.

Participate in group coaching and learn how to ask powerful questions effectively.

Experience a live coaching demo.

Understand the 3 Stages of The Coach-Like Leader Method®.

Length: 1.5 hours

### How to Practice Mindful Listening

In this workshop, participants will:

Discover why mindful listening is over 80% of what a coach-like leader does.

Learn how to turn mindful listening into practical action.

Participate in group coaching and learn how to listen mindfully and effectively.

Experience a live coaching demo.

Understand the 3 Stages of The Coach-Like Leader Method®.

Length: 1.5 hours

“ Lisa’s interactive presentation at our leadership retreat was excellent. The content was relevant and the format was visually appealing and easy to follow and understand. Our team was highly engaged and learned some key insights about the value of coach-like leadership. I highly recommend Lisa if you’re looking for a session that educates and entertains. - **Stefan Woloszyn, CEO, CityWest**

“ We brought Lisa in to talk to our 80-person team about the importance of listening and coaching as a leader. Participants were very engaged throughout and gave the session content/delivery high marks. Thank you Lisa for a great addition to our team retreat. - **Nicole Browning, Global Marketing, Dell**
